Children's Christmas Party – Sunday 3rd December 2006

This is a smorgasbord run with the children having fun. The venue is the foreshore at Banksia Beach, Bribie Island. When coming onto the Island, turn left at the Woolworths roundabout and follow it all the way to the beach. We will begin at 9.30am. As this is the last run for the year, we would like as many members as possible to make it a good day for the children.

Parents/grandparents/etc. are reminded to bring presents for Santa to deliver to your young guests. The club will be running games and providing drinks, lollies, balloons and little prizes for the games.

For all those that I don't see on the run, Merry Christmas and Happy New Year!

Combined Council report:

Don reported that the QCC are in discussions about small clubs who are not carrying public liability or insurance. Discussion occurred around the availability of pass books for people who need to obtain leaded petrol in limited quantities - so many litres per month - who would need it? And how much?

Discussions were made about the illegal use of S plates. Council is now under contract to Queensland Transport to give up any offenders, if and when detected.

There was the suggestion that cars with small turn indicator lamps fit larger lamps for safety rather than what looks good on the vehicle.

It was noted that a person was known to have successfully registered a 78 model car and Queensland Transport were happy to register it as a 75-78 model???

Thanks Don.

Phyllis pointed out that because of people chatting at the meeting; it is very difficult to hear what is going on. Perhaps this can be addressed at the next QCC meeting to ask members to respectfully "shush" whilst the meeting is in progress.

Rally report:

Jan thanked everyone for coming today. Not much as Xmas is nearing, but Jan thanked the members that attended the I mbil weekend away. A good time was had by all.

Raffle:

There was no raffle today. Members are offered tickets in the Xmas raffle to be drawn at the Kids Xmas party on 3 Dec. The prize is an overnight stay at Eden Lodge at Mapleton - to be taken within 25 December to 25 June 2007. The prize includes 1 night's accommodation and a full continental breakfast. Members were asked to take books of tickets to sell to family/friends/workmates/etc.

New membership applications:

P & T Carroll. John moved that this new membership be accepted. Seconded by Robyn Hughes. All members were in favour. Welcome to our new members.

General business:

It is with regret that we receive resignations from Tom Van Den Berg, David Brandon, Ian & Regina Brock, Darren McMillan and Cameron O'Neill. We wish these members all the best for the future.

Members were reminded about the Children's Xmas party on 3 December at Banskia Beach. Don't forget to let Julie know the numbers of children attending so that drinks etc. can be organised.

Denise asked members to please consider becoming a committee member for next year. New blood is always welcome as this generates new ideas and keeps the club fresh.

Congratulations to all those people nominated.

General meeting closed at 11.23am.

AGM General business:

Sue Droughton put forward a motion that we elect a Nomination Committee consisting of a few members that can start approaching other members around August as to the possibility of taking up a committee position in the New Year. The motion was seconded by John Pritchard. All members were in favour.

John and Donna Embleton volunteered to be members of this committee and we will discuss this further on the first run next year.

There was general discussion about moving our runs to the 2ND SUNDAY OF EACH MONTH as the 1ST Sunday coincides with other club runs and some members are also in other clubs. John Pritchard moved that we change our runs to the 2nd Sunday of each month. John Embleton seconded the motion. The 'ayes' were in favour.

(Note: Please be sure to mark you diary with the new dates for next year)

Phyllis Streeton brought up new memberships as to why we do not get members to attend three runs or so before admitting them to the club.

Jan Blake and John Embleton and other members discussed this at length and it was re-affirmed that this was discussed in 2003 by the committee and members of the club and it was carried and put into our constitution that this was not a pre-requisite for members to have to attend meetings before joining. It is up to all of our members to make new members welcome and encourage new members to attend runs.

After no further business, the AGM closed at 11.15am.

The Weird and the Wonderful!

FROM THE SECRETARY'S DESK

Well here I am again. I thought you had got rid of me - but it was not to be.

Anyway, although I am happy to remain Secretary for 2007, I would like to say that I will not be accepting a nomination for 2008. So please, if you have any interest in this role, please come and see me. All committee members are more than happy to help new people with these roles. After all, we had to start somewhere too!!

I'd like to take this opportunity to thank every member of the club for making 2006 so successful. Our club is certainly growing by leaps and bounds and I still think it is the friendliest club to be associated with. Both Graeme and I enjoy the runs each month and we look forward to seeing all of you. I will be updating the birthday register this coming year, so please if you have not already given me your birth date, please do so. I promise not to embarrass you!!! (heehee)

I don't have any titbits for this month as I really did not think I would be doing this again. Sorry to those of you who enjoy reading my little column. I will endeavour to collect a lot of "silly stuff" for next year.

If we don't see you again in 2006, have a safe and happy Xmas and New Year.

Drive safely and keep smiling.

See you all in 2007.

Cheers

Denise

The Bank Manager wants to see you

Hi Everyone,

The book is finished at last and copies should be available in a couple of weeks. At last, after almost three years of hard work and gaining a whole new respect for authors, I have finished writing my memoirs, *'The Bank Manager Wants to See You'*. The finished copy is A4 size, contains 340 pages, 150,000 words and in excess of 300 photos and illustrations

It begins with a brief family history and then evolves into social history. I've recorded memories of growing up in the forties and fifties and through my twenty-three year career as a bank officer/manager with the Commercial Banking Company of Sydney. I worked throughout Victoria and New South Wales in seventy-nine different branches, including small country towns where I met many interesting 'characters'. I've also included Australian history, amusing incidents and details of appliances now considered antique and long forgotten methods of doing things.

Reviews of my book appear to indicate that it has general appeal, especially to people of my era who can relate to the events described and it will, I hope, give later generations an insight into what life was like in an earlier and quite different era.

Some reviewer comments:

"He demystifies banking..... a very interesting yarn..... easy to read..... well illustrated..... most absorbing..... anecdotally funny..... succeeded admirably..... an entertaining read..... sound archival references..... often amusing..... informative and nostalgic..... I thoroughly enjoyed it..... this is really 'The way we were'..... start reading and gain immediate empathy with the author..... encapsulate for history Australia's coming of age..... a must read..... reminding you of your own upbringing..... etc."

I have self-published the book and limited copies are available direct from me for \$30 (plus postage of \$9.80 within Australia). Please note - Credit card facilities are not available. I thought maybe some of you may be interested but if you're not, don't worry about it.

Just a quick update on our travels, we visited Eastern Europe in June/Aug and we are off to China in March.
