(Secretary's note - we purposely underestimated our income in the hope our surplus will be greater)

Business arising from Committee Meeting:

John Embleton explained he had sourced free printing for our monthly SCN from the Local Member's office - at no cost - only paper to be supplied. Julie & Ron Walters asked why the Club needed to save money when we had plenty in the bank. After much discussion John Pritchard, answering a query from a concerned member, stated he and Nicole were willing to give it a month's trial as it would free up some of their time. Details to be sourced by John Embleton and be provided to Nicole and John re: delivery of editorial material. Local Member's office requires 2 days notice for printing.

General Business:

Proxy Votes: Richard Thomson brought up the way in which Proxy votes were handled at the Nov 07 AGM. He would like to see it done correctly next AGM - i.e. sent out by the Secretary and handed directly back to the Secretary as per his interpretation of the Constitution. Shirley Jefferay moved a motion that included in the Oct 08 newsletter should be proxy forms, nomination forms and the Nov 07 AGM Minutes to be approved. Any nomination or proxy forms were to be posted back to the Secretary prior to the AGM. Dave Bertram moved a motion not to allow Proxy votes. After much discussion, Dave withdrew his motion. Moya Houston stated she felt most members didn't come out to a rally to listen to politically based arguments. They came to enjoy each others' company and cars. The amount of applause she received showed majority of members agreed. Shirley Jefferay's motion was repeated and seconded by John Embleton and carried.

Xmas Dinner: Julie Walters asked why the cost of the dinner was so high (as reported in

the Jan SCN). Hadn't the income from the subsidised member's dinner been taken off the actual cost? John Embleton replied that it hadn't as they were just trying to let the members know the actual expenditure for the night. The money received from members for the dinner was banked as Function income.

SCN Advertising. Gary & Marlene Wills will be putting an advert in the next SCN, offering discounts to members. Members are encouraged to utilise.

Next Rally: 9th March to Moore - morning tea will be at Kilcoy. Geoff Smith said

alternatively we could go to Moore, turn right and on to Linville and have a Hotel lunch as opposed to the Smorgasbord. Members seemed keen on that idea, so Geoff & John Embleton will do the run and enquire as to the feasibility prior to advertising in the Feb SCN (*Editor note: information was not received at time of printing*). April run is a sausage sizzle on the 13th April. Geoff and John will also organise this in Peter Rohan's absence, unless any other members would like to volunteer.

Meeting closed at: 1.17pm

President's Report

Hello to all our members

I would like to thank Hudson and Ita Davies for organising the Feb. car run. The feedback from members was very good and most of all very little traffic on these roads so we could enjoy driving our cars. The park was wet under foot but this is something that is beyond anyone's control when they drive around to map out a run and check a venue.

From the numerous phone calls of support I received from members on Sunday evening and Monday after the run, it was obvious that they were not happy about what happened at the meeting. It is now three months since the AGM and for people to turn up just to complain it is not good for your club. It is time these matters were dropped. The current committee cannot be held responsible for any mistakes of the past and will try to make sure they do not happen in the future, and that the constitution is followed. The majority of the callers were of the opinion that maybe it would be a good idea if the meeting was held separate from the run, so that they can just enjoy the day out in their cars. The committee would like to put this idea to the members at the next car run on Sunday 9th March. If more people had sent in the survey that was sent out it would have helped.

Regarding runs, we have asked if anyone is interested in doing a run please talk to one of the committee. 1, 2 or 3 days trips are all welcome. If you are happy with what is being done then that is OK. A suggestion has been put forward for a long weekend away to Hervey Bay. Possible dates Anzac day weekend 25th, 26th, 27th April, possibly some could leave Thurs 24th. I would like to make it clear these weekend trips ARE NOT SUSIDISED FROM CLUB FUNDS. Everyone pays for themselves. These weekends are still club sanctioned so classic cars can be driven for the trip.

Happy driving and hope to see you all on the road.

John Embleton

Australia Day at the hysterical village.

From the Secretary's Desk

Hi members

With the lack of general meetings since Nov 07's AGM, it has been difficult to assess members' opinions and feelings as to the running of the Club. I personally think maybe we should endeavour to have a general meeting at the January 09 Fish n Chip run next year to alleviate this gap. But that is just my opinion, so will leave it up to you, the members, to suggest it to the committee.

On the questionnaire (*please see enclosed document for details*) - a sincere thank you to all members who took the trouble to complete and get them back to us. You will note that only 19 respondents are listed in the YES/NO summary. In actual fact I received 21 members' responses back (those 2 not answering the YES/NO questions, but their 2 comments were recorded). I believe there are another 2 questionnaire responses (not in my possession at deadline for SCN) that were not sent to the PO Box, but handed to a committee member, however with time restraints, I haven't as yet obtained. They will be collated along with the others and submitted to our next Committee meeting. We therefore had 23 responses received. When you think we have a current financial membership of over 221 that gave us a response of over 9.6%. Not good you say. However, if you consider on average 30 vehicles attend rally runs each month, with an average of 50 financial members in those vehicles, we have had a 46% response, which, I feel is pretty damn good - don't you?! The committee will report back to you, the members, on their actions to your suggestions - which were really appreciated. Overall, I think most of you are happy with things the way they are. Thank you again.

Without trying to bore you, I would like to bring up the matter of a 'First-Aid' kit on our monthly rally runs. It was not my idea but a member (our trusty nurse, Brenda Byrnes) who suggested it to me at Bli Bli, or was it Mooloolah. Anyway, being new to the committee, maybe someone already carries one, but with Denise Douglas not around to ask, our member (who wasn't dying or in need of an ambulance), walked across the road to the local pharmacy and purchased what was required. Waddyareckon?

As we were away for the January long weekend, we didn't get to attend the Australia Day celebrations or the Fish N Chip run; however those who did told me both days were great. Please see below for attendance lists and photos.

A Note from Jan Blake

To all members

Firstly I would like to congratulate Ita and Hudson on a very relaxing and scenic route to Bli Bli. A lovely run to start the year, the weather was beautiful on the day. A very nice venue for a picnic lunch, the only draw back was the swim to the toilets. You will have to ask for fine weather the week before the run next time Huddy.

Unfortunately the day was marred by a minority at the meeting being upset by a couple of trivial matters. It was very embarrassing to all at the meeting. I have been a member of this club for about 13 years and have held many positions on committee over the years. Many club members voiced the opinion that the club was becoming stale last year and we needed new committee with new ideas to encourage all our members to attend meetings and runs. This nothing personal and not to say the old committee didn't do a great job, (they did) just that we needed change. As an outgoing position holder in the past I have always given as much help to the new position holder as possible. This is because many people who volunteer have no experience and would appreciate some friendly tips on performing their new position. If everyone did this we would have no trouble finding new people to fill positions.

Firstly the matter of proxy voting. This has always been available to use if you could not attend but it is up to the individual to exercise his or her right to do so. To my knowledge these had to be handed to the secretary before the meeting (does not say by whom), as they where. We all have a copy of the constitution and if not, they are available on request.

Next the matter of expenditure of the Xmas party. The Club has purchased an accounting program that will make the job of any future treasurer much easier, but if you have any queries on how things are written up in the newsletter just ask Robyn, and I'm sure she will explain.

Lastly I would like to say let's make this club the happy social family club it used to be and we will all benefit. Don't forget to put your names down for the games night.

Jan Blake

Editorial

We feel that a response is necessary in regards to some negativity voiced in other areas of this newsletter. The 'complaints' raised at the last meeting were legitimate and voiced at the appropriate time, that is, within general business at the very next member's meeting after these issues first occurred. Please let us explain further....

The proxy matter should have ended when a motion was passed to send voting forms to everyone in the future. We would have let it rest there had those who raised the issue at the meeting not been described negatively elsewhere in this newsletter. These votes at the last election were legal and did not affect the overall outcome. I (John) was the first to admit that because I was the one who took home all the ballot papers. However, that is only the tip of the iceberg of a campaign of deceit and false accusations of misappropriation of club funds. That is what has upset some people, including ourselves. We can hear some of you calling out sour grapes, but it's not! If things were handled honestly, instead of like politicians, the election results would have probably been the same.

The enquiry about the financial report of our 2007 Christmas party was legitimate and should have received a proper response at the meeting. We also agree that it should have been raised in a more respectful manner; however the report must show the actual cost to the club as well as the total cost. Our new volunteer treasurer is still learning her job and will benefit from minor things like this being pointed out politely. We say *minor* because it doesn't affect the bottom line, it's just nice to see the actual cost per event.

As this newsletter goes out to other clubs, new members and is published publicly on our website, we reserve the editor's right to not publish negative reports from now on. Members should bring up genuine issues at a meeting in a respectful manner in future and it will be recorded in the official minutes.

CHACC will get over these minor hurdles but not until members can voice their opinion in a respectful manner at a general meeting and get a fair hearing.

We are willing to forgive, forget and move on if all members are willing to do the same.

Sincerely,
Nicole & John

2 Tough Questions...

Question 1:

If you knew a woman who was pregnant, who had 8 kids already, three who were deaf, two who were blind, one mentally disabled, and she had syphilis, would you recommend that she have an abortion?

Question 2:

It is time to elect a new world leader, and only your vote counts. Here are the facts about the three candidates.

- *Candidate A:*
Associates with crooked politicians, and consults with astrologists. He's had two mistresses. He also chain smokes and drinks 8 to 10 martinis a day.
- *Candidate B:*
He was kicked out of office twice, sleeps until noon, used opium in college and drinks a quart of whiskey every evening.
- *Candidate C:*

Response to 2 Tough Questions on Page 11

Candidate A is Franklin D. Roosevelt.

Candidate B is Winston Churchill.

Candidate C is Adolph Hitler.

And, by the way, on your answer to the abortion question, if you said YES, you just killed Beethoven.

Pretty interesting isn't it? Really makes a person think before judging someone. Remember:
